IMPROVEMENT BUILDING PERMIT OVERVIEW

OVERVIEW

The City has compiled an overview for you of the process for adding improvements to a home in the City of Elk Ridge. **Please read all of the information in this packet. You will be held responsible for the information provided.** The Building Permit process is crucial to a safe and structurally sound structure. The following items are absolutely necessary in order to start the permit process and are required before plans will be accepted and forwarded to the Building Inspector for a Plan Check Review.

STEP ONE: PERMIT APPLICATION

- A. **Email** the following to ruby@elkridgecity.org:
1. Completed Building Permit Application
 2. Plans drawn to scale with electrical indicated
 3. Site plan with drainage and setbacks indicated (required for pool, retaining wall, addition, and out building)
 4. Stamped Structural Engineering (pool, retaining wall, addition, out building and solar)
 5. Any additional items needed to understand scope of project.
- B. Plan Check Fee of **\$200 CASH OR CHECK ONLY** (Applied to permit fees). If the office is closed the plan check fee can be dropped off in the green box by the flagpole. Please indicate on the check it is for a building permit.

STEP TWO: PERMIT FEES

After the plan review is completed you will be contacted regarding the fees needed in order to obtain the building permit. The **permit number** will be assigned upon receipt of permit fees. The permit number is needed to schedule inspections.

STEP THREE: INSPECTIONS

Inspections are done through **Sunrise Engineering**. **Please contact them directly to schedule your inspections: 435-743-6151**. The inspections required vary based on project. A printed copy of the approved plans needs to be on site and available for the inspector at the time of inspection.

STEP FOUR: CERTIFICATE OF OCCUPANCY/COMPLETION

Upon City approval after the passing of the final inspection a Certificate of Occupancy or Certificate of Completion is issued and emailed to the email address listed on the application.
