DEVELOPMENT SIGN PERMIT

Development Sign Permit

*Sign permits are valid for 1 year from date of approval.

*See City Fee Schedule for permit fee.

Current Elk Ridge City Code 10-12-23; 2a Signs and Advertising structures:

Signs Requiring Permit: The following signs shall be permitted upon acquisition of a permit therefor:

a. Building and development project identification signs; one sign for each parcel upon which a building or development project is being constructed announcing the character of the activity or the purpose for which the building is intended, including the names of the contractor, engineers, architects, financial providers, etc., and provided the area of the sign shall not exceed thirty two (32) square feet. All such signs shall be removed prior to the issuance of a certificate of occupancy.
