RE: Assignment of Water

On December 8, 2020 the Elk Ridge City Council voted to grant Final Plat Approval to the Evelyn's View Subdivision and allocated water rights, as well.

Section 10-15F-11 (C) states: "Water Rights Conveyance Classified as Project Improvement: For purposes of compliance with the terms of the Utah Impact Fee Act, the conveyance of the water right shall be construed as a project improvement. (Ord. 01-1-9-2, 1-9-2001, eff. 1-11-2001)"

This Certificate of Water Right Assignment insures that the City Council of Elk Ridge has assigned 4.204 acre-feet of water from the water rights owned by Elk Ridge City; specifically from Water Right No. 59-5996 (a45293), to the Evelyn's View Subdivision, a subdivision within the City boundaries of Elk Ridge, Utah. This satisfies the water right conveyance requirement of the Subdivision Process for the above mentioned Subdivision.
