

## CERTIFICATE OF WATER RIGHT ASSIGNMENT

From: Elk Ridge City (A Municipal Corporation)

Utah County

State of Utah

To: Trevor Tasker

Tasker Subdivision Lot(s) 2

Elk Ridge, UT, 84651

RE: Assignment of Water

On May 10, 2022 the Elk Ridge City Council voted to grant Preliminary and Final Plat Approval to the Tasker Subdivision. On October 11, 2022, City Council allocated the required water rights.

Section 10-15F-11 (C) states: "Water Rights Conveyance Classified as Project Improvement: For purposes of compliance with the terms of the Utah Impact Fee Act, the conveyance of the water right shall be construed as a project improvement. (Ord. 01-1-9-2, 1-9-2001, eff. 1-11-2001)"

This Certificate of Water Right Assignment ensures that the City Council of Elk Ridge has assigned 1.01 acre-feet of water from the water rights owned by Elk Ridge City; specifically, from Water Right No. 59-6004 (a47094) to the Tasker Subdivision, lot 2 a subdivision within the City boundaries of Elk Ridge, Utah. Water allocation for Lot 1 was previously done during the Brian Murray Subdivision through purchase of water shares from the city. This satisfies the water right conveyance requirement of the Subdivision Process for the above-mentioned Subdivision.
