**PUBLIC COMMENT**

Karen Tribett stated her son did the eagle project of putting the reflectors up Elk Ridge Dr. and would like the road coming up Elk Ridge and the round about to be maintained better. It's a beautiful street and it needs to have more attention to keeping it clean, weeds pulled, gravel swept. She would be on a beautification committee if there was one.

Chris Hermansen stated went through the events of how much he spent doing the subdivision with the Asay's and Clayson's subdivision. All he wanted to do was sell them property and it took too long and was too expensive. He would like different water rates for the Assisted Living
