RE: Acceptance into Durability Fisher Haven Plat A Subdivision

Dear Mayor Haddock,

The final inspection for Fisher Haven Plat A Subdivision for public improvements has been completed. All the items on the final punch list have been completed and the project is ready for entrance into durability.

If the improvements are accepted the beginning of the one-year durability period, based upon final acceptance, is Aug 29, 2023. The type II slurry seal should be placed as weather permits next year or when the Public Works Director directs that it should be completed

Thank you,

Jerry Clark  
Public Works Director

A handwritten signature in cursive script that reads "Jerry Clark". The signature is written in dark ink and is positioned below the printed name and title.
