The final inspection for Salem Hills Plat M Subdivision for public improvements has been completed. All the items on the final punch list have been completed and the project is ready for entrance into durability.

If the improvements are accepted the beginning of the one-year durability period, based upon final acceptance, is Aug 29, 2023. The type II slurry seal and the curb and gutter were paid in lieu of and will be completed by the city at a future time.

Thank you,
