Dear Mayor Haddock,

The final inspection for Tasker Subdivision located at 125 S. Fremont Way 2 lots (lot split) for public improvements has been completed. All the items on the final punch list have been completed and the project is ready for entrance into durability.

If the improvements are accepted the beginning of the one-year durability period, based upon final acceptance, is Oct 9, 2023. The type II slurry seal has been paid in lieu of and will be completed by the city at a future time.

Thank you,

Jerry Clark  
Public Works Director
