Elk Ridge, UT 84651

RE: Acceptance into Durability Ririe Plat D Subdivision

Dear Mayor Haddock,

The final inspection for Ririe Plat D Subdivision for public improvements has been completed and has been recommended for approval by the Mayor. This is a one lot subdivision and the required public improvement was the sidewalk. The project was initially approved by Aqua Engineering. The subdivision is ready for entrance into durability.

If the improvements are accepted the beginning of the one-year durability period, based upon final acceptance, is Nov. 13, 2023.

Thank you,

Jerry Clark
Public Works Director
