PLANNING COMMISSION UPDATE

Maureen Bushman stated the planning commission is finishing up the general plan.

PUBLIC FORUM

No public comment

REGULAR CITY COUNCIL MEETING AGENDA ITEMS:

1. RYAN BYBEE CONCEPT PRESENTATION

Ryan Bybee Developer of Amblevue Subd. stated he met with the Mayor and discussed the commercial property in Amblevue Subd. He would like to put in self-storage on a portion of the commercial that is one story, some climate control units. There would be a wall of some kind to separate the commercial area from the residential. This would have a nice facade, clean and quiet. Ryan stated it is in his best interest to have a nice-looking facility because he is selling homes right behind it. Councilmember Peterson updated Ryan with the work the county is doing on Elk Ridge Dr. and 11200. The county will be putting in the water and sewer lines for the city specifically for this commercial area which will need to be reimbursed by the developer through an agreement. The county will not let anyone cut into the new road for 5 years. It may be a good time to get this started on the project. The consensus of the council was positive.

2. SPEED LIMIT CANYONVIEW DRIVE EXTENSION

There are no driveways on the new road. The City Council set the speed limit as 30 mph. Deputy Monson agreed that 30 mph would be acceptable since there are no driveways or front yards. Recommends flashing speed limit signs.

COUNCILMEMBER PETERSON MOTIONED TO SET THE SPEED LIMIT ON THE NEW CANYONVIEW DR BETWEEN THE UPPER AND LOWER CURVES AS 30 MPH AND 25 OUTSIDE OF THAT COUNCILMEMBER PAXTON SECONDED

VOTE (4) AYE (1) NAY APPROVED

Councilmember Willis voted Nay, the speed limit should be 25 until Loafer Canyon section is completed.

3. ROUNDABOUT TRAFFIC SIGN DISCUSSION

Councilmember Peterson stated vehicles are not slowing down for pedestrians and the roundabout and recommends pedestrian signs ahead of the roundabout. Discussion ensued on various options such as flags, flashing signs with a button, refreshing the crosswalk paint on the road, flashing LEDS embedded in the road. Councilmember Peterson suggested Jerry Clark, Public Works Director get the cost estimated for four signs and discuss this again at the next meeting.

4. SKY HAWK PARK IMPROVEMENTS DISCUSSION

Mayor Haddock passed the bids around to the council. Originally the city had \$500,000 slated for the pavilion and parking lot. Since then, the council added pickleball courts, and a basketball court. The sports court with the special surface is \$377,340. Maintenance on the special surface has to be done every other year and recommends concrete instead. With the scaled down version with concrete and without a bathroom (at this time), lighting and landscaping, the estimate is \$754,000. Councilmember Paxton suggested holding off for a year and trying to get grants and doing the whole thing. Melanie is meeting with a grant writer and will speak with her about this. Councilmember Thompson recommends putting in gravel for the parking lot this year. Mayor Haddock will ask Jerry Clark for an estimate on the gravel parking lot. Discussion ensued on restrooms and vandalism and availability. Maureen Bushman stated Ron Hill of the Planning Commission has spoken with other cities concerning restrooms and will be presenting his findings at the May Planning Commission meeting. Discussion tabled.

5. REPORTS:SESD, 911, SUVMWA

SESD - Councilmember Thompson stated he is on the committee to help find more generating resources which is very hard to find in this area. He will bring any discussions of rate hikes to the council. He will have the SESD presentation scheduled. SESD sponsors a youth leadership camp every summer for high school juniors called EUREKA. SESD pays for all of it, and it's held at Snow College. They take 10 kids and there are presentations by business leaders on developing entrepreneurial ideas, and the application period is open now.

911 - Councilmember Peterson stated the last meeting was canceled and the previous meeting there was nothing of note.

SUVMWA - Mayor Haddock there has not been a meeting and has nothing new to report.

82
83 **6. FINANCIALS**

84 There were no concerns.

85 **7. APPROVAL OF CITY COUNCIL MINUTES FOR FEBRUARY 12, 2024**
