Dear Elk Ridge Residents,

Here comes the sun! Outside watering season will start soon.

We would like to request (not mandate) that:

Even addresses water Monday, Wednesday, and Friday.

Odd addresses water Tuesday, Thursday, and Saturday.

Sunday is optional.

This is only a suggestion. Please do not shame those that choose not to comply.

This watering schedule will not be enforced.

The alternate-day watering will save the city electricity charges and will result in less wear and tear on our pumps and booster stations, which will help the city keep our water fees as low as possible.

Best Regards,

Mayor Rob Haddock

Permits are available
through the city
website during office
hours.
