1. SUBDIVISION AMENDMENT DISCUSSION

Maureen Bushman stated the State has required the subdivision process be amended per the new state requirements. Currently, the planning Commission will do the preliminary approval, and a subdivision committee made up of members of the city council (1), planning commission (1), administration (1 recorder) and public works (1), will approve the final. Greg Shelton went through questions from Councilmember Peterson had: stated page 7 item C2 is this meeting is a public meeting? Lisa Graham stated there is a typo on C1 the s needs to be removed for members. Greg Shelton stated page 8 appeals under 2-2-4 what is this and should it be struck. City will ask Mike Hanson. Page 9 has a fragmented sentence, was this removed? Page 20 are fees set up for a lot line adjustment- there are fees in place. Page 21 A2 this needs to be same as city standard 3 ½ and a year later the 1 inch is place- update to city standard. page 22, trails - there is not a city standard for trails, page 24 is this chart the most current, page 25 city does not have standards for vehicle access for retention basins, page 26 rewrite the code to reflect h and j. accessibility to offsite utilities.

Royce will check with Mike Hanson on some of the questions above
